

## **Fredericton North Heritage Association Heritage Identification and Preservation Committee**

To assist in developing policies, programs and initiatives, the Heritage Identification and Preservation Committee (HIPC) of the Fredericton North Heritage Association (FNHA) is asking for input from the general membership. Please return your completed form to Ian Robertson (HIPC chair) at next FNHA monthly meeting.

### **Significant Building or Site Identification:**

Please name the 5 buildings or sites that in your opinion are the most important or significant in Fredericton North – and give the reasons for your choices.

### **Significant Artefact Identification:**

Please identify (describe and include a photograph if possible) 3 artefacts (book, map or other document, item of furniture, photograph, or other personal possession) you consider to be of “historical importance” or sentimental value - and give the reasons for your choices. (If you would be willing to give a short presentation to FNHA membership on at least one of these artefacts, please mark it with an asterisk [\*].)
